Episode #36:

- A Warming Welcome

Scripts:

Narrator: Ash, Ty and their friends are heading back toward New Bark Town as they decide to pause their journey in Johto.
Professor Elm rides a van with the gang, heading to their destination at New Bark Town

Ty: We should be arriving in my town soon. I'm glad you all decided to visit.

Sarah: **Smiling** I can't wait to see your family, Ty. It feels like forever since I left home in Alola.

Raye: Same here! And my sister is probably planning a prank the moment we walk in.

May: You have a sister?

Raye: Yeah, my younger sister.

Jonah: **Laugh** That sounds exciting, I think.

May: **Smile** Just like Max is, he's also a prankster.

Max: **Annoyed** No I'm not.

Avery:
New Bark Town, huh? I've heard it's really peaceful.

Ash: Yeah, it's a great place. Pikachu and I started part of our Johto journey there too.

Pikachu: Pika-pika!

Teddiursa: **Excited** Ursa.

Ty: **Smile** I know, buddy. We're going back home and I'll introduce you to my mom.

Teddiursa: **Excited** Teddiursa.

Dawn: Well, this will be my first time visiting your town since I joined you guys.

Lillie: Same here. It's wonderful that I get to know your home.

Raye: You'll love it when we arrive.

Ty: I agree with her. We have lived there since we're neighbors.

Raye: And you all can stay with us for tonight.

Sakura: That will be lovely. It's nice to stay like a sleepover.

Ash: Professor Elm. How long till we get there?

Professor Elm: **Smile** We're getting closer, Ash. And I'll invite you all to my lab for a tour.

May: That will be awesome, Professor Elm.

Manaphy: **Excited** Mana.
The van passes a wide open field where several Pokémon are visible: Mareep grazing, Sentret running across the grass, and a flock of Hoothoot perched on a fence

Dawn: Look at all those Pokémon out there! They seem so relaxed.

Lillie: The environment here feels very calm. It’s perfect for raising young Pokémon.

Sarah: Our Pokémon are excited of course.
Teddiursa presses against the window happily while Manaphy floats near May, waving at the wild Pokémon outside

Jonah: They probably know we’re close to home territory.

Avery: This trip is actually pretty relaxing after everything we’ve been through.

Professor Elm: **Smiling** That’s what New Bark Town is known for.

Raye: Everyone’s going to love it there. Wait until you like my mom’s cooking!

Ty: Hey, my mom’s cooking is just as good!

Ash: Sounds like we’re in for a great visit.

Dawn: That will be grateful.

(Pokemon Master Revolution Theme Song Plays:)
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all
Gotta catch em all

Pokémon

Ty (Narrator): A Warming Welcome!
The van pulls into the quiet seaside town. The salty breeze rolls in from the ocean as Wingull fly overhead

Professor Elm: Here we are. New Bark Town!

Ash: Ahhh, it's good to be back here.

Pikachu: Pika.

Max: So that's New Bark Town.

Raye: Yep. My hometown.
They arrived at New Bark Town, everyone got out to enjoy the fresh air while Kimberly Masterum and Raye's parents greeted them

Kimberly: Ty. Raye.

Ty: **Happy** Mom!

Raye: **Happy** Mom! Dad!
Ty and Raye rushed and embraced their family while the gang smiles at them

Kimberly: Welcome home, Ty.

Ty: Hi mom. It's good to see you again.

Kimberly: Same here for you my boy.

Teddiursa: Teddiursa.
Kimberly looks at Teddiursa for the first time

Kimberly: Well hello there. You must be Ty's companion.

Teddiursa: **Nodded** Ursa.

Kimberly: You look cute.

Ty: I've been training him hard, and my pokemons too. I never fail them.

Kimberly: **Smile** That's so kind of you.

Raye: I missed you both.

Raye's Father: We missed you too, my princess.

Raye's Mother: How was your journey?

Raye: I had a great time. And I met some new friends.

Ash: That's right. That will be us.
Ash and his companions steps forward

Ty: Mom, everyone, these are my friends. This is Ash Ketchum. May, Max, Dawn, Lillie, Sakura, Jonah, Sarah, and Avery.

Ash: **Cheerful** Nice to meet you! And this is Pikachu, my best friend.

Pikachu: Pika-pika!

Kimberly: Nice to meet you all. I'm Kimberly, Ty's mother. You can call me Mrs. Masterum anytime.

Raye's Mother: I'm Melanie Rose, and this is my husband, Marcus.

Marcus Rose: We're her parents.

Dawn: It's nice to meet you, Mr and Mrs Rose.

Kimberly: And thank you for traveling with my son. You're all welcome here anytime.

Marcus: You guys have really taken good care of my daughter. We appreciate that.

Lillie: **Smile** No problem. She's so nice to us.

Jonah: It's so nice to see their family in person.

Raye: My parents are supportive.

???: Raye Raye!

Ash & his friends: **Gasp**
Suddenly, the front door swings open, a small girl dashes out at full speed and glomps onto Raye

Small Girl: **Happy** Raye, Raye! Welcome back!

Raye: **Flustered** J-Jackie! Don't call me that!
The group laughs softly

Jackie: **Beaming** You're back! I knew you would be!

Raye: **Sigh**

Avery: So that's her sister that she mentioned.

Raye: That's correct, Avery. This is my little sister, Jackie.

Jackie: Hi there. I'm Jackie! And a professional prank expert!

Max: Uh-oh…

Jonah: A prankster, huh. She messes with you a lot

Raye: She's always energetic… and always messing with me.

Jackie: **Giggles** Only a little!

Marcus: **Chuckles** Now, now. She may be a trickster, but she loves her big sister very much.

Jackie: **Hugging Raye again** Of course I do! Right, Raye Raye?
Raye sighs, but there's a faint smile on her face

Ty: **Lighthearted** Hey, Jackie isn't that bad.

Raye: That's easy for you to say.

Jackie: **Grinning** Oh don't worry, Ty—I'll prank you too!

Ty: **Laughing nervously**
Everyone laughs until Ty shows his mom his gym badge collection case

Ty: Mom, check this out that I received. I've collected Gym Badges that I earned.

Kimberly: **Eyes widening** Ty…
She gently touches the case, amazed

Kimberly: You really did it. You've come so far.

Ty: **Smile** And I'm not stopping yet. I only have two badges left so I can compete at the league.

Ash: He's been training like crazy.

Sakura: You should see him in battle!

Kimberly: I'm so proud of you. Not just for the badges, but for the trainer you're becoming.
Ty was happy of her mom's word

Professor Elm: Now that we're here, why don't you all come to my lab for a tour?

Max: Really? That's awesome.

Avery: Same here.

Ty: How about it, Ash?

Ash: Yeah, going to his lab is like a tour.

Ty: Fair enough.

Kimberly: Go on ahead. We'll finish preparing dinner.

Melanie: You can tell us all about it when you get back.

Marcus: Make sure you make it early before dark.

Raye: No worries.

Jackie: Take care, big sis.
The gang walks alongside Professor Elm down the quiet path toward the seaside laboratory

Ash: So what's this big surprise, Professor?

Professor Elm: Just doing some observation and studying everything of pokemons from other regions. But I'm fascinated to see you again, Ash.

Ash: Haha, and I'm happy to see you once again since the start of my journey in Johto.

Professor: That's great to hear, and you trained Pikachu very hard as well.

Pikachu: Pika.

Professor Elm: Hmm?
Then, Professor Elm noticed Manaphy who was on May's arm

Professor Elm: Since I studied all the pokemons, who is that pokemon that you're holding, May?

May: Huh? Oh, that's Manaphy, my companion.

Manaphy: Mana.
Professor Elm stepped closer with wide eyes, seeing Manaphy for the first time

Professor Elm: Incredible…but to be honest, I've never seen this type of Pokémon before.

Manaphy: Manaaa!

May: Trust me, it's been a long journey getting here.

Ash: You could say that again.

Professor Elm: I can only imagine! Your adventures never fail to surprise me.
Professor Elm gently examines Manaphy, careful and respectful

Professor Elm: Ahh. It's very stable and healthy.

Ty: You sure?

May: I agree with him. Manaphy has been good to me.

Jonah: He wouldn't do this without you, May.

Avery: And you got many books about pokemons to study, researching anything.

The gang wanders at the lab until Sarah three pokeballs on the table

Sarah: And these are Pokémon starters here?

Professor Elm: Yes, Sarah. Those are special Pokémon I keep for new Trainers beginning their journey.

Sarah: That's cool. Cause I have one with me since I began my journey.

Max: What do they have in there?
Before Professor Elm can answer, Manaphy floats curiously toward the desk

Manaphy: Mana.

Sarah: Huh?

May: Manaphy, be careful.

Manaphy: **Excited** Manaphy!

Professor Elm: **Gasp**

Ash & his friends: **Gasp**

Pikachu & Teddiursa: **Gasp**
Manaphy accidentally releases three poké balls pop open in flashes of light

Chikorita: Chika!

Totodile: Totodile!

Cyndaquil: Cyndaquil!

Max: Whoa! The Johto starters!

Totodile: **Happily bouncing** Totooo!

Cyndaquil: **Stretching calmly** Cynda.

Chikorita: **Tilting its head** Chika!

May: Oops.

Dawn: He released it on purpose.

Avery: Look at those pokemons. It's Cyndaquil, Chikorita and Totodile.

Professor Elm: You must've studied that too.

Avery: Well, I saw trainers who had them.

Pikachu: Pika.

Teddiursa: Teddiursa.
Pikachu and Teddiursa step forward curiously with the starters while Manaphy floats between them

Pikachu: Pika?

Teddiursa: Ursa?

Manaphy: Mana!

Totodile suddenly grabs Pikachu's hand playfully and spins in a circle. Pikachu laughs

Pikachu: Pika Pika.

Totodile: Toto, toto.

Ash: Looks like they're hitting it off already.

Chikorita: Chika.

Teddiursa: Teddiursa.

Cyndaquil: Cyndaquil.

Manaphy: Mana.
Chikorita nuzzles Teddiursa gently, and giggles while Cyndaquil calmly observes before giving a small friendly nod to Manaphy

Professor Elm: **Chuckling** Well, that's one way to introduce yourselves.

May: **Smile nervously** Sorry about that, Professor.

Professor Elm: No harm done! Social interaction is good for them.
The Pokémon play together, running gently around the lab space. Totodile trips and pops back up cheerfully. Chikorita uses a soft vine to help steady Teddiursa. Pikachu and Manaphy float and hop alongside them

Dawn: They're already friends.

Sakura: It's wonderful seeing Pokémon bond like that.

Ash: Johto's starters are amazing.

Raye: They're full of personality too.

Professor Elm: Every Pokémon journey begins with friendship. Seeing them connect like this... reminds me why I love my research.
The Pokémon continue playing cheerfully in the background. Totodile laughs while Pikachu dodges playfully. Manaphy floats happily above them. Then, Max shows Professor Elm a poke egg from his backpack

Max: Professor Elm? There's something I want to show you.

Professor Elm: Oh? What's that, Max?
Max holds it's poke egg gently with both hands

Max: Ty gave this to me. I've been taking care of it,

Ty: Yeah, I won the prize at the event last time.

Max: But I was wondering, if it will hatch soon?

Professor Elm: May I take a look?
Max nods and hands it over carefully, Professor Elm places it into a small scanning device. The machine hums softly

Professor Elm: The internal energy is steady… very healthy. You've done a wonderful job caring for it, Max.

Max: Thanks.

Ty: So will it hatch?

Professor Elm: It will, but these things take time. Pokémon Eggs hatch when they’re ready. Patience and care are the key.

Max: Then I’ll keep doing my best!

Ty: Told you it was in good hands.

Sakura: Why don't we take a look around in the lab for a tour.

Ash: Great idea.
Everyone spreads out around the lab, looking at books, machines, and research charts while Ash calls his mom on the screen

Ash: We’re in New Bark Town, visiting Ty and Raye’s hometown and meeting their family. It’s awesome!

Delia: That sounds wonderful. You’re still traveling safely, right?

Ash: Of course! We’ve had some big battles. And we're taking a break for a while.

Delia: I’m so proud of you, Ash. Remember, you can always come home for a visit whenever you take a break from your adventure.

Ash: I will, Mom. I promise.
Suddenly, Mr. Mime pops into view on the screen

Mimey: Mime mime!

Ash: **Laughing** Hey, Mimey!

Pikachu: **Happy** Pikaaa!
Mimey waves enthusiastically back

Delia: We’ll be cheering you on from Pallet Town.

Ash: Thanks, Mom. See you soon!
The call ends. Ash looks thoughtful but happy. The starters continue bonding with Pikachu, Teddiursa, and Manaphy. Max watches the egg carefully. While everyone were chatting

May: Family really keeps us going, doesn’t it?

Ash: Yeah. No matter where we travel. We've always got a place to come back to.

May: **Giggles**
Ash and May smile at each other until Ty called them

Ty: Hey guys. We should head back home.

Raye: Yeah, my parents are almost making dinner for everyone.

Sarah: Yeah, I'm hungry right now.

Ash: In that case, let's go.

Professor Elm: Take care of all of you. I'll let you know when the egg is hatched, Max.

Max: You betcha, Professor Elm. I’m going to make sure it hatches.

May: You’re doing great already.
The gang head back to Raye's house for dinner, they entered the house

Raye: We’re back–

Jackie: **Happy** Raye Raye!!!
She launches forward and hugs Raye tightly around the waist

Jackie: You made it, Raye Raye.

Raye: **Struggling slightly** J-Jackie! Don’t call me that twice!

Jackie: But it’s cute, Raye Raye!
The gang bursts into laughter

Ash: She’s got you there.

Dawn: It’s kind of adorable.

Raye: **Embarrassed** No it’s not!

Ty: See? I told you she’s not that bad.

Raye: Ty!
Jackie finally lets go but continues grinning mischievously. The delicious smell of home-cooked food fills the house. A large table is set with steaming dishes

Kimberly: Perfect timing, everyone.

Marcus Rose: Dinner’s ready for all of you. A special recipe that I made.

Melanie: Go wash up and come sit down.

Ash: **Eyes sparkling** That smells amazing!

Sakura: It looks delicious!

Teddiursa: Ursa.

Manaphy: Manaphy.

Pikachu: Pika Pika.
Even the Pokémon peek in curiously

Ty: **Smiling warmly** There’s nothing like home cooking.

Raye: That’s why my parents make the best recipe.
Jackie tugs Raye’s sleeve again

Jackie: I saved you a seat, Raye Raye.

Raye: **Smile but slightly** Thanks, Jackie.
Everyone gathers around the large table, laughter filling the room as plates are passed around. The table is full of warm dishes. Everyone is eating, while Pikachu and his buddies sit nearby on the floor, enjoying their bowl of food as well

Sarah: **Eating** Mm, this is delicious.

Melanie Rose: **Chuckles** I'm glad that you enjoyed it, Sarah.

Ty: And my mom's favorite homemade salad. Thanks, mom.

Kimberly: **Smiles** Anytime, Ty.

Ash: **Munching** Mmm.

Max: **Munching** Mmm.

May: Here, Manaphy.

Manaphy: Mana.
May gives a piece of bread to Manaphy

Manaphy: **Joyful** Mana.

May: **Giggles**

Pikachu: Pika.

Squirtle: Squirtle.

Teddiursa: Ursa.

Wooper: Woop.

Pachirisu: **Chirping**

Eevee: Vee, vee.

Psyduck: Psyduck.
While they are eating, they chatted about their journeys

Marcus Rose: So, Raye… tell us about your journey. How have you been doing out there?

Raye: I've been training really hard, Dad. Battling, learning strategies, getting stronger every day.

Melanie Rose: That's our girl. You got a lot of skills you learned.

Raye: My friends do that too.

Ty: It's true. I trained my pokemons all day, these guys are really good at it.

Ash: Yeah. I worked really hard during my previous adventure. **Takes a bite of a food** I had a great time back then.

Kimberly: That's wonderful for you, Ash. You got some good style on you. **Turns at Raye** And you made good progress, Raye. Do you ever get any help from them?

Raye: I do. I've had a lot of help from everyone. Especially making sure Jonah's okay.

Jonah: Yeah, I agree with her.
Kimberly, Marcus and Rose noticed at Jonah's wheelchair

Marcus Rose: What happened to you, son? Did you have an accident?

Jonah: Well, I don't really want to talk about it. And I can't explain it.

Melanie Rose: Oh, I'm sorry to hear that. You must've had a difficult time walking.

Jonah: It's okay, though. But Raye's always been there for me. She's supportive. I appreciate that.

Raye: Of course. That's what friends are for.

Marcus Rose: **Proudly** You've grown into a caring young trainer, Raye.

Melanie Rose: **Smile** We're very proud of you, sweety. You'll be a good caretaker of him.

Raye: **Smile**
Jackie suddenly leans across the table with a mischievous grin

Jackie: Soooo, Raye Raye. Does that mean you like-like him? As your boyfriend yet?

Raye: J-Jackie!!
The gang bursts into laughter

Sakura: Whoa, Jackie. You love messing with her?

Lillie: Sounds like someone's embarrassed.

Melanie Rose: **Laughing gently** Oh Jackie, she's only teasing.

Jackie: **Giggles**

Raye: **Flustered** She better be.

Lillie: Don't worry. It's only teasing.
Meanwhile, Kimberly chats with Ash

Kimberly: Speaking of you, Ash. Ty mentioned you won a big tournament before.

Ty: Yeah! He was amazing!

Ash: Yeah. He told me that when I first met him It was a tough competition. I learned a lot from it.

Kimberly: We're you good it when he and I watched on TV.
But you're traveling again?

Ash: Yeah! I want to keep improving, grow stronger, and support Ty in his adventure.

Ty: That's right. And I won't let anyone down.

Kimberly: That competitive spirit is wonderful. I'm proud of both of you boys.

Melanie Rose: What about all of you?

Dawn: I want to be a best and top coordinator like May, Raye and Avery here.

Raye: Yeah. It's my dream to be a coordinator. I would like to challenge them.

Avery: Any of us will be better, I agree on that.

May: So do I. We're looking forward to that.

Marcus Rose: That's wonderful for them. By the way, Max? Aren't you a trainer too?

Max: Well, I'm not a trainer. But I will be in the future.

Marcus Rose: Haha, how nice of you.

Sakura: One day you'll be, Max.

Max: **Smile**

They all smiled as they resumed eating their dinner while continuing to chat. After a nice dinner, empty plates are stacked neatly

Sakura: That was a delicious meal, Mrs. Rose.

Melanie Rose: Thank you, Sakura. I really appreciate it.

Ash: Ohh man, I'm so full.

Pikachu: Pika...

Max: Yeah, pretty tasty.

Lillie: It's getting late now. I'm not ready for bed yet.

Melanie Rose: **Smile warmly** Why don't you all just stay here for the night?

May: Really? That'd be awesome!

Manaphy: Mana.

Avery: You mean like a sleepover?

Raye: Of course. That will be lovely to have some friends over.

Avery: You're so nice.

Jackie: I love sleepovers too.

Raye: **Chuckles**

Ty: Ash. Why don't I have a sleepover at my house?

Ash: Sure, Ty. The girls can stay at Raye's.

Jonah: Awesome. Glad to stay with you.

Max: Oh man, I'm so hyped.

Ty: Haha, looks like it's settled.

Teddiursa: Ursa.
The girls enter Raye's room. It's cozy, decorated with Pokémon posters and poke plush dolls

May: Wow, Raye! Your room's so cute!

Lillie: It feels very you.

Raye: Thanks. I haven't changed it much.

Dawn: Ah I could go for a warmer blanket.

Sakura: Same here.

Raye: You'll feel comfortable here.

Jackie: And we're gonna have some fun.

Raye: **Smile** Try not to make a mess, okay.

Jackie: **Smile** I won't.
At Ty's house, the boys were in his bedroom. The room was decorated of posters, a handheld game console, books and a few poke plush dolls

Jonah: I'm surprised that your room has good decorations.

Max: Yeah. This room is awesome.

Ty: Thanks, guys. This is where the fun begins, and the house is yours.

Ash: Thanks for letting us stay in your room. This is awesome!

Ty: And Jonah. If you have a difficult time sleeping, I will share my bed with you, so you can sleep comfortably.

Jonah: Thanks, Ty. I appreciate that.
Jonah was thankful at Ty for sharing his bed to him

Ash: Max and I will sleep in our sleeping bag on the floor.

Max: That's fine with that. So, what are we going to do?

Ty: Let's chat for a while before bed.

Jonah: If you say so.

Teddiursa: Ursa.

Pikachu: Pika Pika.
Back at Raye's bedroom, soft lamp light fills the room. Sleeping bags are spread across the floor. The mood is cozy and cheerful while their pokemons were playing each other with Jackie

Piplup: Piplup.

Pachirisu: **Chirping**

Manaphy: Manaphy.

Wooper: Woop, woop.

Eevee: Vee, vee.

Jackie: **Giggles**
Manaphy floats happily as Jackie giggles, moving a small toy back and forth while the Pokémon chase it playfully

Raye: I saved these for something special for everyone.

Dawn: Thanks for the treats.

May: You’re officially the best host ever.

Raye: **Chuckles** No problem.
The girls were talking about their hobbies and contests

May: Contests really changed me as a Coordinator. Every performance taught me something new.

Dawn: It’s not just about winning ribbons. It’s about expressing yourself with your Pokémon.

Sarah: That sounds beautiful.

May: It really is. and trusting your partner completely.

Dawn:
We've both had our ups and downs. But that's what makes you stronger.

Raye: We can do a contest with each other someday.

May: Yeah, we can do that.

Avery: **To Sarah** And you said that you become a trainer at Alola?

Sarah: Yes. In Alola, things were different. School was important, learning about Pokémon teamwork before I became a full trainer.

Lillie: Alola has a special way of teaching bonds.

Sarah: And it helped me understand Pokémon better before battling seriously.

Raye: Sounds like you had a great start.

Sarah: **Nodded** I did. And now I get to travel with all of you.
The girls are having a great chat with their pokemons still having a fun time with Jackie

Avery: So what's Alola really like? You both talk about it like it's super special.

Lillie: Alola is made up of tropical islands. The air smells like the ocean, and there are palm trees everywhere.

Sarah: And instead of traditional gym battles, they have Island Trials.

Avery: Island Trials?

Sarah: You complete challenges set by trial captains, and then face a powerful Totem Pokémon.

Lillie: It teaches you teamwork and trust more than just battling for badges.

Avery: **Eyes sparkling** That sounds amazing… I want to visit someday and learn everything about it!

Lillie: I hope you do. It's a beautiful place.

Sakura: I want to know that place too.

Sarah: You're welcome to come to my home region.

Sakura: **Smile** Raye, these pajamas are really comfortable.

Sarah: Yeah, thank you for letting us borrow them.

Raye: Thanks, You can keep them if you want. I've got plenty.

Sakura: Really?

Raye: Of course. Think of it as a sleepover souvenir.

Sarah::Thanks, Raye.
May gently stands behind Sakura with a brush

Sakura: And thanks for brushing my hair. You're good at it.

May: No problem. Coordinators have to be good at styling too.

Dawn: She's not wrong.

The girls were still having a good as they watch Jackie entertaining with Manaphy and their buddies

Jackie: **Giggles**

Manaphy: Mana.

Eevee: Vee.

Dawn: **Curious & smiling** About Jackie, what kind of pranks does she usually pull?

Raye: Well, I can't explain it. Sometimes, she hides my hairbrush, switches my alarm to something embarrassing, once she even replaced my battle notes with doodles. And that is how she messes with me.

May: She replaced your battle notes into doodle images?

Raye: Totally. And I'm losing dramatically!
The girls giggle about Raye's being teased by Jackie's prankster

Sakura: She really is a trickster.

Raye: **Sigh & smiling a bit** Yeah, she's always messing with me. But, she's still my little sister. I love her so much.

Lillie You care about her a lot despite she's a trickster.

Raye: Of course I do. Even if she drives me crazy.

Jackie: And I always care for you, Raye Raye.

Raye: **Annoyed** Can you stop calling me Raye Raye again?

Jackie: **Teasing & smug** Whatever you say, Raye Raye.

Raye: **Super annoying** Grrr, why don't stop calling me that!?

Jackie: **Running** You can't catch me, Raye Raye!

Raye: **Chasing Jackie** I absolutely can! Get back here! I'm not done with you!
Raye chases Jackie out the bedroom to the hallway, leaving the girls sweat drop and smiling awkward along their pokemons

Avery: **Awkward smile** They really do love each other.

Sarah: You can tell.
Back at Ty's house. In his bedroom with Ash, Max, Jonah and their pokemons, Ty pulls of box from his shelf

Ty: Check this out. I got a collection of this poke cards test I have.

Max: No way. You collect cards?!

Ty: Yeah. My mom gave it to me before I became a Trainer.

Ash: That's awesome! You've got a huge collection!

Ty: I do. Here, have a look.
He hands a few to Ash, Jonah and Max.

Max: This is so cool, my first time seeing those game cards ever!

Jonah: Yeah, I never had one of these before.

Ty: If you don't have one, I'll let you have it

Jonah: **Amazed** For real? Thanks, Ty.

Ty: Plenty of more to give you both.

Ash: That's cool for you.

Max: Yeah, thanks, Ty!
Pikachu and Teddiursa bounce playfully on the mattress while Squirtle and Rockruff joins in, hopping energetically

Pikachu: Pika, pika!

Teddiursa: Ursa, Ursa!

Squirtle: Squirtle!

Rockruff: Ruff, ruff!
All four Pokémon tumble gently onto the floor in a soft pile, happily enjoying their time

Ash, Max, Ty & Jonah: **Laughing**

Jonah: **Smile** Hopefully they don't get hurt.

Ash: Don't worry. They're okay!

Ty: Looks like they're having the time of their lives.
Pikachu and his buddies jumped back up onto the bed as if nothing happened while the boys continued looking at the cards

Jonah: You've kept these in great condition.

Ty: They remind me why I started loving Pokémon in the first place.

Ash: Yeah. Whether it's cards or battles, it's all about the fun.

Max: And I'm going to treasure this.

Ty: **Smile** I know you will.
They all smiled together over the poke cards. Later at night, everyone was sleeping, except for Ty, he didn't sleep as he goes outside for a moment, Ash looks at him without being noticed. Ty was staring at the stars, just as Ash followed him

Ash: Can't sleep yet?

Ty: Not really. I was thinking of something.

Ash: Like what?

Ty: You know…Being home again, it reminds me of when I first dreamed about becoming strong. Back then, everything felt so far away.

Ash: And now?

Ty: Now I've earned badges, traveled, battled tough opponents, including you. But it still feels like there's so much more I need to achieve.

Ash: There's always more ahead. That's the fun part.

Ty: **Soft chuckle** Yeah. But sometimes I wonder if I'm ready for what's next.

Ash: **Confidently** Ty, you've already proven your strength. Not just in battles. But in how you care about your Pokémon and your friends. The road ahead isn't just about winning. It's about believing in yourself as much as your Pokémon believe in you.

Ty: **Determine** I won't hesitate. I'll do my best on my journey. And I'll have a rematch with you next time, when I get much stronger.

Ash: That's the spirit. Will do better, and our friends too.

Ty: **Smile & nodded**
Ash and Ty smiles at each other as they are watching the stars up in the sky, giving Ty's hope to win. Inside of Raye's bedroom, the girls were asleep while Raye was still awake, looking at the stars from the window while on her bed, thinking of her goal

Raye: *(We've come this far) *Smiles* (But we're ready for it.)*
**She gently closes her eyes and resumes sleeping, determined that she and Ty are ready for their goal. The next morning, Ash, Dawn, Ty, May and Max his friends goes to Professor Elm's lab*

Ash: Man, it feels great out here!

Ty: Nothing like a Johto morning.

Dawn: Thanks for letting us stay here with you.

Ty: Not a problem, Dawn.

Pikachu: Pikachu.

Teddiursa: Teddiursa.

Manaphy: Mana.

Max: Let's just hope the pokemon egg goes.

May: Let's go see what Professor Elm says.
They enter the lab, and was greeted by Professor Elm

Professor Elm: Good morning, everyone!

Ty: Morning, Professor!

Professor Elm: I was just finishing up routine checks. How are you feeling?

Ty: We had a great time yesterday, and we slept well too.

May: We're thanking Ty and Raye for letting us stay here for a while.

Dawn: And we came here to see about the egg.

Professor Elm: Absolutely. You came here on time.
Inside the protective chamber rests the Pokémon Egg under observation

Ash: Is it safe all right?

Professor Elm: Yes. It's very safe. It's stable, and its internal activity is increasing, but it hasn't hatched just yet.

Ty: So it's closer to hatch soon?

Professor Elm: It's possible. It can be unpredictable.

May: Hmm, probably it could take a while again.

Ash: I was thinking if we could stay here for today and wait for tomorrow.

Ty: That's a good idea, Ash. Will wait here until we know it's ready.

Max: Yeah. Sounds good.

Teddiursa: Teddiursa.

Manaphy: Mana.

Pikachu: Pika Pika.
Ash's friends and their pokemons have agreed with it

Professor Elm: **Smile** And in the meantime, I'll continue to check on the egg while I continue to do some research. There’s a strong chance, but he patient

Dawn: Looks like training continues here for another day.

Ty: Let's give back to our friends and inform them.

Ash: Gotcha.
They returned to their house, telling their friends about the news

Lillie: So we're staying here for an extra day?

May: Yeah. Will resume our journey right after the egg hatches.

Avery: Sounds fair. I'll agree with that.

Sarah: And maybe we can have a sleepover again.

Raye: Of course.

Sakura: So what's the plan before we leave?

Ty: I just had an idea. How about if we can continue training our pokemons?

Jonah: I like that. I want to train mine as well.

Dawn: A short rest isn't a bad idea.

Ty: Plus, training somewhere peaceful might help us improve faster.

Jonah: It's our preparation that matters.

Ash: Alright! It’s settled. We’re staying in New Bark Town for a while!

Pikachu: Pika, pika!

Manaphy: Mana!

Teddiursa: Teddiursa!
The group cheers lightly as their promise before they resume their journey

Narrator: With agreement in their hearts and new determination in their steps, these young trainers will be more ready than ever for whatever lies ahead on their journeys.

To be continued...

(Pokemon Master Revolution Theme Song Plays. Outro:)
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all
Gotta catch em all
